1989 INDIANA JUDICIAL REPORT

In 1989 the Indiana judicial system again faced an enormous volume of cases and continued to function effectively as the third branch of government. The statistical information provided by all courts of the state indicates that in 1989 there was a leveling out of the growth experienced over the years. In general, the number of cases filed in the entire state system showed a modest growth of 3% from the preceding year. There also was a corresponding increase in the number of dispositions. Expenditures also increased approximately 8.1 million dollars, but this was off-set by a growth in revenues of 14 million dollars.

INDIANA SUPREME COURT

The Indiana Supreme Court shares with the General Assembly the responsibility for setting judicial policy. Judicial structure, salary levels, jurisdictional requirements and substantive questions of law fall within the domain of the General Assembly. On the other hand, policy questions related to general superintendence of the courts constitutionally is given to the Indiana Supreme Court. The Chief Justice of the Indiana Supreme Court is the Chief Justice of Indiana. Again in 1989, the Indiana Supreme Court, its Commissions and Boards, and the judicial administrative divisions were extremely busy.

In 1988, the constitution of Indiana was amended to provide that the Indiana Court of Appeals would initially review direct appeals in criminal cases where the sentence did not exceed fifty years. This amendment afforded the Supreme Court an increased opportunity to review civil matters. As anticipated by this amendment, in 1989, unlike any known prior year, the Indiana Supreme Court disposed of more civil cases than criminal cases. Along the same lines, the Supreme Court disposed of seventy-one Original Action cases, reviewed thirty-eight disciplinary actions, and concluded twenty-one reviews of bar examination appeals. This, however, only partially details the Court's activities; as demonstrated by the following description of events, there also was a significant increase in the superintendence role exercised by the court.

Judicial Discipline. In 1989 there were no new judicial matters filed with the Supreme Court. The significant development in this body of law was the conclusion of a thorough examination of the procedure and adoption of a comprehensive rule (Admission and Discipline Rule 25) codifying the entire process. Prospective analysis of this nature probably would not have been possible without the above noted amendment affording the Supreme Court this opportunity.

The entity responsible for the review and prosecution of judicial disciplinary matters is the Indiana Commission on Judicial Qualifications. The Chief Justice is the chairman of this Commission and the Division of State Court Administration is charged with the responsibility of staffing the Commission. At the beginning of 1989 there were thirteen complaints on the Commission's docket; in 1989, 127 new complaints were received. The Commission disposed of 129 complaints, leaving eleven cases on the docket at the end of the year. Of the 129 complaints disposed, 103 were summarily dismissed, twenty were dismissed after preliminary inquiry, six were dismissed following investigation, and two were disposed upon resignation of the judge. Additionally, the Commission issued five formal advisory opinions and published a manual for the use of judges when confronting ethical questions.

Attorney Admission and Disciplinary Matters. Under Article 7 of the Constitution of Indiana, the Indiana Supreme Court has exclusive and original jurisdiction in all matters dealing with the admission to the Bar and discipline of attorneys. The court was very active in this aspect of their constitution responsibilities. In 1989, the court amended Admission and Discipline Rule 2, updating roster procedures to reflect the status of all attorneys in the state; updated Admission and Discipline Rule 3, defining the right of an out-of-state attorney to appear pro hac vice; amended Admission and Discipline Rule 6, clearly specifying the criteria for admission to the Bar of Indiana on an out-of-state license; changed Admission and Discipline Rule 12, structuring an administrative procedure for resolving questions relating to character and fitness; and revised Admission and Discipline Rule 13, defining for the first time "Good Moral Character and Fitness."

State Court Administration. The Supreme Court amended Trial Rules 58 and 77 in 1989. These amendments represent years of study and consideration by the Court's Records Management Committee and introduce, for the first time, a comprehensive, standard record keeping system for all courts in the state. Until these amendments, the record keeping system in the courts represented local adaptations of the vague requirements provided by an 1852 statute. The Division of State Court Administration is responsible for the implementation of this standard procedure.

Through the Division of State Court Administration, the Supreme Court was given two appropriations for distribution to counties for court services. The office of Guardian ad Litem/Court Appointed Special Advocate Services was created in the Division of State Court Administration and given an appropriation of four hundred thousand dollars a year to assist counties in the development of volunteer programs for children in need of services. Additionally, the Division was appointed as the staff and funding entity for the Public Defender Commission and appropriated six hundred twenty-five thousand dollars a year to reimburse counties for public defense in pauper death penalty cases. These programs were instituted during the course of the year.

COURT OF APPEALS

The nature of the workload in the Indiana Court of Appeals, the intermediate appellate tribunal, also was changed by reason of the above noted amendment affecting initial appeals in criminal cases. The number of criminal matters directly appealed to this court nearly doubled in 1989 from the previous year (828 vs. 465). This growth was mitigated somewhat by a decline in the number of civil appeals (849 vs. 654). The net effect, however, was that the Indiana Court of Appeals was unable to dispose as many cases as were filed (1516 vs. 1334).

It was clearly evident that little possibility existed for this trend in appellate case filings to abate in future years. As a consequence of the shift of caseloads, the General Assembly added a fifth district for the Court of Appeals, effective on January 1, 1991.

TAX COURT

The Indiana Tax Court, the most recent of the appellate courts, experienced very little growth in 1989. There were seventy-one new cases filed and seventy cases disposed. At the end of the year, seventy-two cases were pending. Later in this report there is a detailed description of the type of cases in this court.

TRIAL COURTS

As previously noted, there was modest growth in the number of cases filed in the trial courts in 1989 when compared to the previous year. Not including the re-docketed matters, there were 982,550 new cases filed in 1989 as compared to 953,827. It is noteworthy, however, that much of this growth in filings occurred in serious criminal matters. There was a 15% growth in felony filings, where there is greatest likelihood of incarceration, and there was a 33% percent growth of re-docketed criminal cases, which include post-conviction proceedings. Traffic, juvenile, civil, and domestic relation filings remained very constant. In 1989, for the first time, tort litigation was segregated from other civil litigation; the information provided by the courts indicates that there were 5,765 tort cases and 61,891 other civil matters. Also there was an increase in the number of cases disposed.

FISCAL INFORMATION

The judicial system, as any other public institution, is funded by the taxpayers of the State of Indiana. In Indiana, the state, county and local units of government share these expenses. In 1989, the state spent $28,143,613.00 on the judicial system; the counties, $68,638,838.00; and local units of government, $4,270,467.00. This was a total of $101,052,918.00 which represented an increase of $8,171,925.00 or 8.8% over the preceding year. The major portion of the increase was paid by the counties.

This cost must be measured against the statutory fees generated by the court system. In 1989, the court system generated $38,047,325.00 revenue for the state, $36,560,648.00 for the counties, and $6,680,701 for local units of government. This was a total of $81,288,674.00 and represents an increase of $14,044,044.00 or 20.9% over the preceding year. The increase represents the impact of the standardized filing fee system adopted by the legislature in 1988.

INDIANA'S JUDICIAL SYSTEM

The Constitution of Indiana sets out the three branches of state government, the Legislative, the Executive including the Administrative, and the Judicial. The Constitution also provides that the judicial power of the State of Indiana is vested in a Supreme Court, a Court of Appeals, Circuit Courts and such other courts as the General Assembly may establish.[1] The Supreme Court and the Court of Appeals are the appellate level courts, while the Circuit Courts are the courts of general jurisdiction.

Traditionally, Indiana's trial court system has been organized on a county basis through enabling legislation establishing courts in specific counties. As provided in the Constitution, the state has been divided into circuits which are based on county lines, and a circuit court judge is elected for each circuit. Some of the less populous counties have been joined together into one circuit, although today there remain only two such circuits comprised of two counties.

As local needs grew and more trial courts became necessary, the Legislature created additional courts of general and limited jurisdiction, but such courts continued to be structured on a county basis with the county bearing all expenses for court operations, save a portion of the judge's salaries. The superior and county courts are such legislatively created courts. The Tax Court is another legislatively created appellate level court. For the most part, superior courts have general jurisdiction just as the circuit court while the county courts have more limited jurisdiction.

Due to this autonomous nature of the trial courts, traditionally there has been little uniformity in many of the administrative operations within the judicial system. Employment of court personnel, funding, use of technology and many aspects of record keeping and court operations are handled at the local level. As a result, court structure and court related services have varied widely from county to county. Only in recent years have more unified administrative and recordkeeping procedures been implemented. As a result, Indiana now has a uniform case numbering system for every case filed in the state, a uniform schedule of record retention for court records, uniform microfilming standards and, effective January 1, 1991, a uniform recordkeeping process.

All counties have a circuit court (four of the ninety-two share two judges). In addition, some counties may have superior courts, county courts or both. Marion County (which has no county courts) is the only county with Municipal Courts and distinct Small Claims Courts. St. Joseph county is the only county with a specialized probate court which also has juvenile jurisdiction.

Legislation also exists enabling cities and towns to establish city and town courts. In the majority of instances, city and town courts are used for traffic matters. The city and town court judges are not required to be attorneys.

Following is a description of the types of courts and numbers presently existing in Indiana. For specific listing of courts in each county, see appendix "1989 Trial Judges."

SUPREME COURT

The Indiana Supreme Court has five justices, one of whom is the Chief Justice of the State (selected by the Indiana Judicial Nominating Commission).[2]

The Supreme Court has original exclusive jurisdiction in (a) admission to the practice of law; (b) discipline and disbarment of those admitted; (c) unauthorized practice of law; (d) discipline, removal and retirement of judges; (e) exercise of jurisdiction by other courts, and (f) issuance of writs necessary in aid of its jurisdiction.

Its appellate jurisdiction includes appeals from judgments imposing a sentence of death, life imprisonment or imprisonment for a minimum term greater than 50 years for a single offense; appeals from the denial of post-conviction relief in which the sentence was death; appealable cases where a state or federal statute has been declared unconstitutional; appeals from denial of release in habeas corpus cases arising out of criminal, extradition or mental health proceedings; and, on petition, cases involving substantial questions of law, great public importance, or emergencies.[3]

The justices of the Supreme Court are appointed by the Governor after nomination by a Judicial Nominating Commission. After an initial two-year term, they run on a "Yes--No" retention ballot, and, if successful, they then serve ten-year terms.

COURT OF APPEALS

The Court of Appeals became a constitutional court under a 1970 revision of the Constitution. The Judicial Artical provides that the state be divided into geographic districts by the General Assembly, and that each district have three judges.[4] Presently, the court has four districts, with a total of twelve judges. Effective January 1, 1991, there will be a 5th Court of Appeals district with three additional judges.[5] The judges select one of their number as Chief Judge, and each district elects a Presiding Judge.[6] The Court of Appeals has no original jurisdiction except as authorized by Supreme Court rules to review directly final decisions of certain administrative agencies.[7] It has jurisdiction over all appeals not taken to the Supreme Court.

The judges of the Court of Appeals are selected in the same manner and serve the same terms as the Supreme Court Justices.

TAX COURT

The Indiana Tax Court came into existence on July 1, 1986. The Tax Court is an appellate level court with one judge who is selected in the same manner as are judges of the Court of Appeals.[8] The Tax Court has exclusive jurisdiction in original tax appeals which are defined as cases that arise under the tax laws of this state and are initial appeals of a final determination made by (1) the Department of State Revenue; or (2) the State Board of Tax Commissioners.[9] The principal office of the Tax Court is located in Indianapolis although a taxpayer may select to have all evidentiary hearings conducted in one of seven other specifically designated counties.

The Tax Court must also maintain a small claims docket for processing (1) claims for refunds from the Department of Revenue that do not exceed $5,000 for any year; and (2) appeals of final determination of assessed value made by the State Board of Tax Commissioners that do not exceed $15,000 for any year.[10] Appeals from the Tax Court are taken directly to the Supreme Court.[11]

CIRCUIT COURTS

The Indiana Constitution directs that the state be divided into several circuits by the General Assembly and that a judge be elected for each circuit.[12] Eighty-eight of a total of ninety-two counties constitute eighty-eight circuits, while the remaining four counties are in two "joint" circuits with two counties each.

The Circuit Courts are vested with unlimited trial jurisdiction in all cases, except when exclusive or concurrent jurisdiction is conferred upon other courts. They also have appellate jurisdiction over appeals from City and Town Courts.[13]

In twenty counties[14] the Circuit Court maintains small claims and minor offenses divisions. Civil actions in which the amount sought to be recovered is less than $3,000 and landlord and tenant actions in which the rent due at the time of the action does not exceed $3,000 may be filed on the small claims docket.[15] Class D felonies, all misdemeanors, infractions and ordinance violations are heard on the minor offenses docket.[16] Cases on the small claims docket are heard in a more informal atmosphere and without a jury.[17] In the remaining counties, the small claims docket and minor offenses docket have been established within either the Superior or County Court of the county.

The judges of the Circuit Courts (with the exception of the Vanderburgh Circuit Court where the judge is elected in a nonpartisan election)[18] are elected every six (6) years by the voters of each circuit.[19]

SUPERIOR COURTS[20]

Superior Courts are created by the General Assembly as local judicial needs change. Though their organization and jurisdiction may vary from county to county, for the most part, they are courts of general jurisdiction. They have the same appellate jurisdiction as Circuit Courts over appeals from City and Town Courts.[21]

As of December 31, 1989, there were one hundred thirty-nine (139) Superior Courts with one of them being a joint court serving two counties. In some of the counties, statutory language sets up one unified Superior Court with two or more judges, while others, through internal rules, operate their courts as unified county systems.

In counties which have Superior Courts but no County Courts, the small claims and minor offenses divisions are established in the Superior Courts. These divisions have the same small claims and minor offenses dockets as the Circuits Courts.

With the exception of four counties, the Superior Court Judges are elected at a general election for six-year terms.

In Lake[22] and St. Joseph counties, the Superior Court Judges are nominated by a local nominating Commission and then appointed by the Governor for a six-year term. Thereafter, they run on a "Yes -- No" retention ballot. The judges of the Vanderburgh Superior Court are elected in non-partisan elections. In Allen County the Superior Court judges are elected at the general election on a separate ballot without party designation. Vacancies, however, are filled by the Governor from a list of three candidates nominated by the Allen County Judicial Nominating Commission.

PROBATE COURT (St. Joseph County)

The St. Joseph Probate Court is the only specialized Probate Court left in Indiana. The Court has one judge and has original jurisdiction in all matters pertaining to the probate of wills, appointment of guardians, assignees, executors, administrators and trustees, settlements of incompetents' estates and adoptions.[23] The court also has exclusive juvenile jurisdiction.[24]

The judge is selected by the voters of the county at a general election for a six-year term.

MUNICIPAL COURT (Marion County)

The Marion County Municipal Court serves the City-County consolidation of Indianapolis-Marion. The court has sixteen judges,[25] fifteen of whom are trial judges, and one a presiding judge. It has concurrent jurisdiction in all Class D felonies, misdemeanors, infractions, and local ordinance violations. The court has jurisdiction to issue warrants upon probable cause for misdemeanors and felonies committed in the county and to conduct probable cause hearings, to determine sufficiency of recognizance and surety in felony cases, and, upon probable cause determination, to bind such cases over to a court with felony jurisdiction. The Court's civil jurisdiction is concurrent with the Superior and Circuit Courts in all civil cases founded on contract or tort which do not exceed $20,000, and, irrespective of the value of property, in possessory actions between landlord and tenant.[26] The court also has jurisdiction (in the mental health division only) to declare and administer temporary guardianships in conjunction with mental health proceedings involving voluntary and involuntary mental commitments. Appeals from the Municipal Court are taken to the Court of Appeals.[27] The Court also has appellate jurisdiction in cases appealed from the Marion County Small Claims Courts.[28]

The Judges of the Marion County Municipal Court, including the Presiding Judge, are nominated by a local nominating commission and then appointed by the Governor for a four-year term.[29]

COUNTY COURTS[30]

The County Courts began operating on January 1, 1976, when the majority of the Justice of the Peace Courts went out of existence. Since their establishment, there has been a steady move toward restructuring such courts into superior courts with small claims/misdemeanor divisions. As of December, 1989, there were thirty-three (33) County Court Judges in thirty-four (34) courts, with two counties sharing a judge.[31]

The County Court has original and concurrent jurisdiction in all civil cases founded in contract or tort where the damages do not exceed $10,000, possessory actions between landlord and tenant, all actions for the possession of property where the value of the property sought to be recovered does not exceed $10,000, Class D felonies, misdemeanor and infraction cases, and violations of local ordinance.[32] The County Court also has a small claims docket similar to that of the Circuit Court. Civil cases of up to $3,000 and possessory actions between landlord and tenant, in which the rent due at the time of the action does not exceed $3,000.[33]

The County Courts have been specificaly precluded from exercising any jurisdiction over cases involving injunctive relief, partition of or liens on real estate, paternity, juvenile matters, probate, receivership or dissolution of marriage. The Court may conduct preliminary hearings in felony cases.[34]

Appeals from the County Court, including its small claims docket, go to the Court of Appeals in the same manner as appeals from the Circuit and Superior Court.

The County Court judges are elected by the voters of the county or counties which the court serves for a six year term.[35]

CITY AND TOWN COURTS

Under a 1975 plan reorganizing Indiana's lower court structure, city and town courts were scheduled to go out of existence on December 31, 1979.[36] Since that time there have been several legislative amendments extending their term. The present status is that a second or third class city or a town may, by ordinance, establish or abolish a city or town court during 1986 and every fourth year thereafter. However, a city or town court which was in existence on January 1, 1986, may continue in operation until it's abolished by ordinance.[37]

A city or town which establishes or abolishes its court must give notice to the Office of State Court Administration.[38] There are forty-nine (49) city courts and twenty-five (25) town courts.

Jurisdiction of city courts varies depending upon the size of the city. All city courts have jurisdiction of city ordinance violations, all misdemeanors and infractions.[39] The city courts have civil jurisdiction of cases where the amount of controversy does not exceed $500. They have no jurisdiction in actions for libel, slander, real estate foreclosure, where title to real estate is at issue, matters relating to decedent's estates, actions in equity and actions involving the appointment of guardians.[40] The civil jurisdiction of city courts in Lake County extends to cases where the amount in controversy does not exceed $3,000.[41] The city courts in Lake County also have extended criminal jurisdiction so that they may hear cases involving violations of all state statutes but can only impose a fine of up to $1,000 and a sentence of not more than one year.[42] A city court in a third class city which is not a county seat[43] has civil jurisdiction of cases involving up to $1,000.

City and Town courts are not courts of record, and appeals are tried de novo in the circuit or superior court of the county.[44] Effective 7/1/90, the Carmel City Court will become the only city court which is a court of record with appeals going directly to the Court of Appeals. The judge of the Carmel City court must be an attorney in good standing.[45]

Town Courts have exclusive jurisdiction of all violations of town ordinances and jurisdiction of all misdemeanors and infractions.[46] Appeals from judgments of a town court are also taken to the circuit or superior court of the county.[47]

City and town court judges are elected for four-year terms by the voters of the city or town. There is no requirement that they be attorneys, (except for Carmel City Court, effective 7/1/90) and the majority are lay persons.

SMALL CLAIMS COURTS (Marion County)

The Marion County Small Claims Court has eight divisions based on township lines and has territorial jurisdiction throughout the county. The court's trial jurisdiction is concurrent with the Circuit, Superior and Municipal Courts in all civil cases founded on contract or tort in which the claim does not exceed $3,000,[48] in actions for possession of property where the value of the property sought to be recovered does not exceed $3,000,[49] in possessory actions between landlord and tenant in which the past due rent at the time of filing does not exceed $3,000. (Effective 7/1/90, the jurisdiction limit will increase to $6,000.[50]) The Small Claims Court has no jurisdiction in actions seeking injunctive relief or involving partition of real estate, or to declare or enforce any lien thereon (with certain exceptions), or in cases in which the appointment of a receiver is asked, or in suits for dissolution or annulment of marriage. The Small Claims Court is not a court of record,[51] and the appeals are tried de novo in the Marion Municipal Court in accordance with rules established by the Municipal Court.[52]

The small claims court judges are elected by the voters within the township in which the division of the court is located. The judge serves a four-year term.

QUARTERLY CASE STATUS REPORTS

On a quarterly basis, the trial courts of the state provide the Division of State Court Administration with caseload information by filing a standard form (Quarterly Case Status Report). These reports contain information on the cases filed (including those that are received on a change of venue), disposed and pending at the beginning and end of the reporting period. This information is categorized by type of case based on classification which corresponds to a state-wide case numbering system. The reports also show the method of disposition for each type of case. Other matters, such as number of days with Judge Pro Tempore, number of trials disposed by Special Judges, number of cases heard or disposed by Masters, the use of Court Commissioner or Referee, and the number of days the Judge served in another county are also reported, but are not reflected in this report.

The Indiana Judicial Report is an annual compilation of the information submitted by the trial courts. Volume I contains a general overview of judicial activities and totals for the entire state. Volumes II and III present caseload information on a county-by-county basis with separate sub-totals for the courts of record and the other minor courts within the county. The case type designations have been abbreviated and correspond to case type designations used in a state-wide uniform case numbering system.

As used in this Report, the following definitions apply:

CP - Civil Plenary: This category is intended to cover the basic civil case not otherwise specifically listed on the form. It will generally include actions founded in tort and contract, actions dealing with real and personal property, as well as actions seeking equitable or injunctive relief.

. SC - Small Claims: This category reflects the civil small claims filed on the samll claims docket of the circuit, superior or county courts and civil cases in the Marion County Small Claims Courts.

Re-docketed Civil: This category is intended to cover the proceedings which arise following the disposition of a civil matter. This category includes cases which are reversed on appeal, cases which are retried by reason of a ruling of the trial court and proceedings supplemental.

DM - Domestic Relations: This category reflects actions involving dissolutions of marriage, petitions for support, annulments and legal separations.

Re-docketed Domestic Relations: This category reflects matters which are reopened after an initial resolution. Most frequently, this category would consist of petitions for modification of custody or support. Actions for reciprocal enforcement of child support are included in this category.

MH - Mental Health: This category is intended to reflect proceedings involving mental health commitments. A proceeding seeking temporary commitment, an extension of temporary commitment, regular commitment or termination of a commitment would be reported in this category.

AD - Adoption: This category reflects the filing of petitions to adopt.

ES - Estates: This category reflects those cases which involve the probate of estates. Claims against the estate which are transferred for trial are listed as "Civil" matters.

GU - Guardianship: This category is intended to reflect the number of guardianships that are before the court during the reporting period. When application for appointment of a guardian is filed, the report reflects a "new filing" under this category. When the guardianship is discharged, the guardianship is considered closed and is counted out of the system.

TR - Trusts: As with guardianships, this category reflects trusts which are before the court during the reporting period.

MI - Miscellaneous: This category reflects routine civil matters which do not relate to any other pending litigation. This would include petitions for name change, appointment of appraisers, marriage waivers, tax warrants and petitions for temporary protective orders.

CF - Criminal Felony: This category covers all cases filed as felonies. If a defendant is charged with both, a felony and misdemeanor, the case is counted one time under the most serious charge.

CM - Criminal Misdemeanor: This category covers those criminal cases which are filed as misdemeanors.

Re-docketed Criminal: This category reflects those criminal matters (Felony and Misdemeanors) which have been reopened after being initially decided. This would include petitions for post-conviction relief, sentence modifications as well as retrials.

IF - Infractions: This category reflects all infraction cases. As with felonies and misdemeanors, when a defendant is charged with multiple offenses of varying severity, the case is reported one time in the category of the most serious offense.

OV - Ordinance Violations: This category reflects those cases where a defendant is charged with violating a local ordinance.

MC - Miscellaneous Criminal: These are criminal matters which cannot be classified as a felony or misdemeanor but which require some degree of judicial scrutiny.

JC - Juvenile CHINS: This category reflects those juvenile cases before the court where a child is alleged to be a child in need of services.

JD - Juvenile Deliquency: This category reflects cases before the court in which a child is alleged to be a delinquent.

JP - Juvenile Paternity: This category reflects paternity actions filed by any of the parties specified by statute, including the prosecutor.

JM - Juvenile Miscellaneous: This category is intended to include those juvenile matters which are not specifically listed in the previous three categories. An example in this category would be approval by the court of informal adjustments.

Re-docketed Juvenile: This category includes all juvenile matters (CHINS, Delinquency and Paternity) which have been decided and reopened. Examples falling in this category are review hearings in juvenile matters and revocation of probation.

PENDING - NAC: The "NAC" column in the Pending charts indicates the number of cases which are pending but in which the court can take no action. Many of these are criminal matters or infractions in which the defendant has failed to appear.

FISCAL INFORMATION

Pursuant to Indiana Code 33-2.1-7-3, the Division of State Court Administration is directed to collect and compile statistical data as to the receipt and expenditure of public moneys by and for the operation of the courts.

This portion of the report is intended to present a general financial overview of the expenditures of Indiana's courts and revenues generated through their operation. The financial information is gathered on an annual basis at the end of each calendar year. This is a manual data gathering system whereby each court prepares a form and forwards it, by mail, to the Division of State Court Administration. The reporting forms call for the court's requested and approved budget, the actual expenditures and the amounts collected by the clerk through the various fees and costs. This publication, however, reflects only the expenditure and revenue data; the requested and approved budgets are available, but are not published here.

EXPENDITURES

The Supreme Court, Court of Appeals and Tax Court are funded through appropriations from the State general fund. The Indiana State Auditor's Report contains information as to the expenditures by these courts and other state level expenditures on related functions.

Indiana's trial courts are funded through county funds. State funds are used only for portion of the judges' salaries[1] and for special judge expenses.[2] Quite often courts receive grants and generate user fees which fees are expended on court services. All such expenditures, regardless of their source, are reflected in this report. In some of the more populous counties, separate budgets are maintained for probation services, juvenile services and pauper defense services. These expenses have been included in the final total.

Expenditures on juvenile detention centers which are budgeted through the courts are also included. Expenditures which have not been included are those not directly related to the court's operation, such as the prosecuting attorney's office and the clerk's office.

The city and town courts are funded by the respective municipalities. In many instances a distinct city or town court budget is not maintained, and all expenses are paid directly from the local general fund. This practice makes it extremely difficult to provide accurate expenditure information on the city and town courts.

The Marion County Small Claims Courts are funded by the respective townships through budget appropriations.

REVENUES

Revenues generated through the operation of the trial courts are collected, accounted for and disbursed by the Clerk of the Circuit Court, an independently elected constitutional office. The Clerk of the Circuit Court also functions as the clerk of the county and, as such, performs many other functions not related to court operations.

Revenues are generated primarily from filing fees, costs, fines, and user fees assessed to the litigants. They are disbursed to either the state, county or local general fund or to a long list of special funds established by the Legislature for specific programs and services. In order to provide the information needed to fulfill this requirement, trial courts must invariably rely on the figures provided to them by the Clerk's office which actually collects the moneys. As a result, the revenue reporting forms have been designed to correlate the fee collection reports used by the clerks. This is important as it underscores the nature of the data presented in this report and the fact that it is not intended as an actual accounting of receipts

Revenues generated through the city, town and Marion Small Claims Courts are collected by the local clerk and disbursed pursuant to statutory provisions. The only direct payment fee in existence is the personal service of process fee charged to small claims litigants in the Marion

County Small Claims Courts. This fee goes to the constable and his deputies.[3]

Following is an explanation of the costs and fees reflected in this report.

COURT COSTS AND OTHER FEES

Upon the filing of a civil case, a guilty finding in a criminal case, or a judgment for an infraction or ordinance violation, the litigant is charged a specified court cost. In addition, the General Assembly has designated numerous other fees which could be charged under certain circumstances. Many of the added fees are so called "user fees" which pay for defendants' enrollment in court or prosecutor sponsored programs. Following is a description of the costs and fees:

1. Court Costs: In every case resulting in a felony or misdemeanor conviction a fee of $110.00 is charged.[4] In each action which results in a judgment for a violation constituting an infraction or ordinance, the fee is $50.00;[5] In each juvenile action, the fee is $40.00;[6] In each civil action, the fee is $55.00;[7] The fee in small claims cases is $30.00;[8] (This does not include small claims cases filed in the Marion County Small Claims Courts. The fees in those courts are set out in IC 33-11.6-4-5.) The fee in probate and trust matters is $100.00; (Effective 7/1/90, the probate fee is reduced to $55.00.)[9]

These court costs include service of process by mail, unless service by sheriff is required.[10] Again, this is not the case in Marion County Small Claims Courts where an additional fee is charged for service of each matter.

2. Court Costs - State Portion: Of the total amount collected through court costs the clerk of the circuit court distributes semi-annually to the state auditor for deposit in the state general fund, fifty percent (50%) of the amount collected.[11]

3. Court Costs - County Portion: The county's share is forty-seven percent (47%) of the total collected from court costs; it is forwarded to the county auditor.[12]

If a county police pension fund has been established in the county, the sheriff may present a claim for each service of process and the county fiscal body will appropriate $[illegible].00 for each claim.[13]

4. Court Costs - City and Town Portion: Three percent (3%) of the collected fees is the qualified municipality share distributed to each city and town maintaining a law enforcement agency that prosecutes at least fifty percent (50%) of its ordinance violations in a circuit, superior, county or municipal court of the county.[14] The county auditor determines the amount to be distributed to each city and town based upon a specific formula; the funds are distributed semi-annually.[15]

5. Court Costs in City and Town Courts: The fees collected through the city and town courts are distributed as follows:

a. Fifty-five percent (55%) semi-annually to the state auditor for the state general fund;

b. Each month the city or town fiscal officer distributed fifteen percent (15%) [illegible] the fees to the county auditor as the county share and thirty percent (30%) is retained as the city or town share.[16]

6. Special State Fund: In order to assure funding of the special programs and activities previously supported through fees collected from litigants, the law provides that twice a year the state auditor must transfer to the state treasurer $4,865,500 for deposit into eight specific funds pursuant to percentages set out in the statute.[17] Those funds are:

a. Family Violence and Victim Assistance Fund - 15.26%
b. Judges Retirement Fund - 7.3%
c. Law Enforcement Academy Building Fund - 4.83%
d. Law Enforcement Training Fund - 19.54%
e. Violent Crime Victims Compensation Fund - 12.48%
f. Motor Vehicles Highway Account - 37.12%
g. Fish and Wildlife Fund - 0.42%
h. Division of Addiction Services Account for administration, certification and support of alcohol and drug services programs - 3.05%

7. Fines and Forfeitures: Fines and forfeitures assessed in criminal cases go to the State Common School Fund pursuant to a constitutional provision.[18]

8. Infraction Judgments: This category reflects moneys collected as infraction judgments in cases involving state law violations. (See also "Deferral Program Fee".) Infraction judgments go to the state general fund.

9. City and Town Infraction Judgments: This category reflects amounts collected as judgments for local ordinance violations. They go to the respective municipality. (See also "Deferral Program Fee".)

10. Vehicle License Fee: This category represents amounts collected as infraction judgments in overweight vehicle cases. These funds go to the State Highway Fund rather than the general fund.[19] (See also "Deferral Program Fee".)

11. Support Fees: This category reflects a fee collected in actions in which a final court order requires a person to pay support or maintenance payments through the clerk. The fee may be $10, $20 or $30 depending on when it is paid.[20] The fee goes to the county general fund.

12. Bond Administration Fee: When a defendant executes a bail bond with the clerk, ten percent (10%) or $50.00, whichever is less, may be retained as the administrative fee which is reflected here.[21] These fees also go to the county general fund.

Effective 7/1/89, when public funds have been expended on defense, the court must order the clerk to remit the difference, if any, and retain the rest, between the bond deposit and the cost of pauper defense. The retained amount is deposited in a Supplemental Public Defender Services Fund established by IC 33-9-11.5. Prior to 7/1/89, this applied to only Allen County. Any amounts collected under these provisions are reflected in the "other" category.[22]

13. Death Benefit Fund Fee: The clerk must also collect or retain $5.00 from each bond. This fee is remitted semi-annually to the Public Employees Retirement Fund for deposit in a special Death Benefit Fund. The fund provides a $50,000 lump sum death benefit to the spouse or children of a public safety officer who dies in the line of duty. With the approval of the clerk, this fee may be collected by the county sheriff who remits it to the clerk. These fees are reflected in the "other" category. (This section expires 12/31/93.)

14. Late Surrender Fees: When a bonded defendant fails to appear, a late surrender fee based on a percent of the value of the bond is assessed against the bondsman. This fee is deposited in the Police Pension Trust Fund set up under 36-8-10-12.[23]

15. User Fees: This category reflects the total amount of user fees collected by the clerk. These user fees are then deposited with either the county auditor or, in the case of city and town courts, with the fiscal officer of the city or town. The user fee funds are used to pay for various programs. The special programs must submit a claim to the county auditor or the city or town fiscal officer who then appropriates the claimed amount from the general user fee fund to the special program or fund.

a. County User Fees: This fund consists of and may be used for the following:[24]

1. Prosecutorial pretrial diversion program fee (for misdemeanors)
2. Informal adjustment program fee
3. Marijuana eradication program fee
4. Alcohol and drug services program fee
5. Law enforcement continuing education program fee
6. Prosecutorial Deferral Program Fee (for infractions) - effective 7/1/89
7. Alcohol abuse deterrent program fee - effective 7/1/89

All but the informal adjustment program fees are collected by the clerk; the informal adjustment fee is collected by the probation departments.

b. City and Town User Fees: This fund consists of and may be used for:[25]

1. Prosecutorial pretrial diversion program fee (for misdemeanors)
2. Alcohol and drug services fee
3. Law enforcement continuing education program fee

4. Prosecutorial Deferral Program Fee (for infractions) -- effective 7/1/89

The following is a description of the county and city user fees collected:

i. A Marijuana Eradication Program Fee of no more than $300 may be set by the court pursuant to IC 15-3-4.6-4.1 to be charged in criminal convictions under IC 35-48-4 (offenses relating to controlled substances) in a county where a weed control board has been established.[26]

ii. An Alcohol and Drug Services Fee may be collected in criminal, infraction and ordinance violations as set by the court pursuant to IC 16-13-6.1-31(c).[27]

iii. A Law Enforcement Continuing Education Program fee of $3.00 is collected in each criminal, infraction or ordinance violation.[28]

iv. A Prosecutorial Pretrial Diversion Program Fee is collected when there is an agreement between the prosecutor and the accused as set out in IC 33-14-1-7. The accused is charged $50.00 as an initial fee and $10.00 monthly. It is charged in lieu of the court costs.[29] Effective 7/1/89, the prosecutor can certify to the county fiscal body that the funds in the program exceeds its needs and the county council may, by ordinance, appropriate the excess funds to the prosecutor's office for any purpose specified in the appropriation. IC 33-19-8-7, as added by Acts, 1989, P.L. 289.

v. An Informal Adjustment Program Fee of $5.00 to $15.00 may be ordered by the court to be paid in cases where a juvenile has been placed in an informal adjustment program prior to having a petition filed.[30]

vi. Deferral Program Fee -- Effective 7/1/89, this additional user fee may be collected in infractions and ordinance violations instead of court costs or any infraction judgments when the county prosecutor or attorney for the municipal corporation sets up a deferral program for such cases.

Under such a program, the prosecutor or the attorney for the municipal corporation can offer a defendant in an infraction or ordinance violation action to enter into an agreement with the law enforcement official whereby the defendant agrees to pay an initial users fee of $50 and a monthly users fee of $10 and to comply with the conditions of the program. There are no statutory guidelines for the conditions or duration of such deferral programs, and, since infractions and ordinances are civil in nature and carry no time for incarceration, it is not clear how long a monthly users fee may be charged.

The clerk of a traffic violations bureau can accept a program agreement from a defendant. The court must dismiss the infraction or ordinance citation when the prosecutor or municipal attorney requests the dismissal of the deferred case.[31]

vii. Alcohol Abuse Deterrent Program Fee or Medical Fee -- Effective 7/1/89, the circuit court may establish an alcohol abuse deterrent program after the county fiscal body adopts a resolution approving the program. This applies to a circuit court that is not authorized to establish an alcohol and drug services program.

The program applies to criminal proceedings in which the use or abuse of alcohol is a contributing factor or a material element of the offense. In such cases, the court may, with the consent of the defendant and the prosecutor, conditionally defer the proceeding for up to 4 years (with exception for certain repeat offenses) and may order the defendant to complete the program. The court must order the deferred defendant to pay a deterrent program fee of no more than $350 or a medical fee of no more than $100, or both, unless the defendant is indigent.

The Deterrent Program Fund is established by the county auditor; it is administered by the circuit court which submits claims for disbursement of the funds.[32]

c. State User Fees: Effective 7/1/89, the following two fees will be collected for a state user fee fund:

i. Drug Abuse, Prosecution, Interdiction and Correction Fee: The court shall assess the above fee of at least $100 and not more than $1,000 against a person convicted of an offense under IC 35-48-4 (controlled substance). The clerk collects the fees and distributes them semiannually to the state auditor for deposit in the state user fee fund established in IC 33-19-9-2.

ii. Alcohol and Drug Countermeasures Fee: In each action in which a person is found to have committed an offense or violated a statute defined as an infraction under IC 9-11-2 if committed by an adult, and the person's driving privileges are suspended, the clerk collects alcohol and drug countermeasures fees of $20, which, effective 7/1/90, will be raised to $200.00.[33]

The State User Fee Fund is administered by the Treasurer of the State. The treasurer transfers $175,000 to an Alcohol and Drug Countermeasures Fund established by IC 9-6-2-9 and divides the remainder to four other funds:[34]

40% to a Drug Interdiction Fund;

20% to a Drug Prosecution Fund;

25% to a Corrections Drug Abuse Fund;

15% to a Local Law Enforcement Drug Abuse Prevention Fund;

Effective 7/1/90 the State User Fee Fund shall be transferred as follows:

$175,000 to the Alcohol and Drug Countermeasures Fund established under IC 9-6-2-9 and administered by a special office within the Indiana Department of Transportation;

$106,000 to the Drug Interdiction Fund established under IC 10-1-8 and administered by the State Police;

$50,000 to the Drug Prosecution Fund established under IC 33-14-8-5 which is administered by the Prosecuting Attorneys Council;

Any remaining amounts are deposited in the Drug Free Communities Fund established by IC 5-2-10 and administered by the Treasurer of the State. Application for grants from this fund may be made to the Indiana Criminal Justice Institute for approval by a commission designated by the Governor.

These fees are also collected by the clerk of a city or town court who distributes them semiannually to the state auditor for deposit in the State User Fee Fund.

16. Guardian Ad Litem or Special Advocate Fees: The trial court may order the parent or estate of a child for whom a guardian ad litem or a special advocate is appointed to pay up to $100 for the service. The money is to be deposited in a designated fund and used for providing these services.[35]

17. Adult Probation User's Fee: This category reflects user fees charged to adults placed on probation after a conviction of a felony or misdemeanor. In felony cases the fee is mandatory; it ranges between $25 and $100 as an initial fee and between $5 and $15 as a monthly user's fee for each month the person remains on probation.[36] In misdemeanor cases, the probation user's fee is optional with the court. If imposed, the initial fee cannot exceed $50 and the monthly fee cannot exceed $10. The fees are deposited in a county adult probation services fund which is used for probation services.

18. Juvenile Probation User's Fee: A court may order a juvenile and/or the parent of a juvenile who is placed on supervision to pay an initial user's fee of $25 to $100 and a monthly user's fee of $5 to $15. These fees are deposited with a Probation Services Supplemental Juvenile Fund and are used for the specifically designated purpose.[37]

19. Document Fee: This category reflects fees collected by the clerk for copying and preparing documents.[38]

20. Interest on Investment: This category reflects income generated through deposits of various funds.

INTRODUCTION

The Division of State Court Administration was established by statute as an office of the Indiana Supreme Court and particularly the Chief Justice. The office began operation in 1976, and the first comprehensive report was published in 1977. Pursuant to IC 33–2.1–7–3 and administrative rules of the Indiana Supreme Court, this office is charged with collecting and compiling information on the judicial work of the courts and on the funds generated by and expended on the operation of the court system. The period of time covered by this report is the calendar year 1990.

The information has been divided into 3 volumes. Volume I is a summary report containing data on total statewide caseload and financial information together with caseload of the Indiana Supreme Court, Court of Appeals and the Tax Court.

Volume II contains the same data for each court and county in Indiana.

Volume III contains information which further defines the caseload statistics. It contains caseload information for each court and county on the method of disposition.

The information published in this report is compiled from summary caseload data provided quarterly and summary fiscal data provided annually. The caseload data relating to the Supreme Court, Court of Appeals and Tax Court is provided by their respective administrative offices. The state–level fiscal data is derived from the annual report of the Auditor of the State.

In that summary data is being used, it should be noted that this report is not intended to be an exact accounting of funds or a complete detailing of every judicial decision. It is only presented as an overview of the administrative aspects of the Indiana Judiciary. As such, it is intended to be used by trial judges in evaluating their performance and monitoring the caseloads in their respective courts; by trial judges and county councils in the budgeting process; by the General Assembly and its Committees in their oversight of judicial administrative activities, and by the Indiana Supreme Court in meeting its superintendent responsibilities. Additionally, the information published in this report is intended to provide a continuous factual basis for long–term judicial planning in the State of Indiana.

INDIANA'S JUDICIAL SYSTEM

The Constitution of Indiana sets out the three branches of state government, the Legislative, the Executive including the Administrative, and the Judicial. The Constitution also provides that the judicial power of the State of Indiana is vested in a Supreme Court, a Court of Appeals, Circuit Courts and such other courts as the General Assembly may establish.[1] The Supreme Court and the Court of Appeals are the appellate level courts, while the Circuit Courts are the courts of general jurisdiction.

Traditionally, Indiana's trial court system has been organized on a county basis through enabling legislation establishing courts in specific counties. As provided in the Constitution, the state has been divided into circuits which are based on county lines, and a circuit court judge is elected for each circuit. Some of the less populous counties have been joined together into one circuit, although today there remain only two such circuits comprised of two counties.

As local needs grew and more trial courts became necessary, the Legislature created additional courts of general and limited jurisdiction, but such courts continued to be structured on a county basis with the county bearing all expenses for court operations, save a portion of the judges. salaries. The superior and county courts are such legislatively created courts. The Tax Court is another legislatively created appellate level court. For the most part, superior courts have general jurisdiction just as the circuit court while the county courts have more limited jurisdiction.

Due to this autonomous nature of the trial courts, traditionally there has been little uniformity in many of the administrative operations within the judicial system. Employment of court personnel, funding, use of technology and many aspects of recordkeeping and court operations are handled at the local level. As a result, court structure and court related services have varied widely from county to county. Only in recent years have more unified administrative and recordkeeping procedures been implemented. As a result, Indiana now has a uniform case numbering system for every case filed in the state, a uniform schedule of record retention for court records, uniform microfilming standards and, effective January 1, 1991, a uniform recordkeeping process mandated for every trial court in the state.

All counties have a circuit court (four of the ninety-two counties share two judges). In addition, some counties may have superior courts, county courts or both. Marion County (which has no county courts) is the only county with Municipal Courts and distinct Small Claims Courts. St. Joseph county is the only county with a specialized probate court which also has juvenile jurisdiction.

Legislation also exists enabling cities and towns to establish city and town courts. In the majority of instances, city and town courts process traffic matters. The city and town court judges are not required to be attorneys.

Following is a description of the types of courts and numbers presently existing in Indiana. For specific listing of courts in each county, see appendix "1990 Trial Judges".

SUPREME COURT

The Indiana Supreme Court has five justices, one of whom is the Chief Justice of the State (selected by the Indiana Judicial Nominating Commission).[2]

The Supreme Court has original exclusive jurisdiction in (a) admission to the practice of law; (b) discipline and disbarment of those admitted; (c) unauthorized practice of law; (d) discipline, removal and retirement of judges; (e) exercise of jurisdiction by other courts, and (f) issuance of writs necessary in aid of its jurisdiction.

Its appellate jurisdiction includes appeals from judgments imposing a sentence of death, life imprisonment or imprisonment for a minimum term greater than 50 years for a single offense; appeals from the denial of post-conviction relief in which the sentence was death; appealable cases where a state or federal statute has been declared unconstitutional; appeals from denial of release in habeas corpus cases arising out of criminal, extradition or mental health proceedings; and, on petition, cases involving substantial questions of law, great public importance, or emergencies.[3]

The justices of the Supreme Court are appointed by the Governor after nomination by a Judicial Nominating Commission. After an initial two-year term, they run on a "Yes--No" retention ballot, and, if successful, they then serve ten-year terms.

COURT OF APPEALS

The Court of Appeals became a constitutional court under a 1970 revision of the Constitution. The Judicial Article provides that the state be divided into geographic districts by the General Assembly, and that each district have three judges.[4] Presently, the court has four districts, with a total of twelve judges. Effective January 1, 1991, there will be a 5th Court of Appeals district with three additional judges.[5] The judges select one of their number as Chief Judge, and each district elects a Presiding Judge.[6] The Court of Appeals has no original jurisdiction except as authorized by Supreme Court rules to review directly final decisions of certain administrative agencies.[7] It has jurisdiction over all appeals not taken to the Supreme Court.

The judges of the Court of Appeals are selected in the same manner and serve the same terms as the Supreme Court Justices.

TAX COURT

The Indiana Tax Court came into existence on July 1, 1986. The Tax Court is an appellate level court with one judge who is selected in the same manner as are judges of the Court of Appeals.[8] The Tax Court has exclusive jurisdiction in original tax appeals which are defined as cases that arise under the tax laws of this state and are initial appeals of a final determination made by (1) the Department of State Revenue; or (2) the State Board of Tax Commissioners.[9] The principal office of the Tax Court is located in Indianapolis although a taxpayer may select to have all evidentiary hearings conducted in one of seven other specifically designated counties.

The Tax Court must also maintain a small claims docket for processing (1) claims for refunds from the Department of Revenue that do not exceed $5,000 for any year; and (2) appeals of final determination of assessed value made by the State Board of Tax Commissioners that do not exceed $15,000 for any year.[10] Appeals from the Tax Court are taken directly to the Supreme Court.[11]

CIRCUIT COURTS

The Indiana Constitution directs that the state be divided into several circuits by the General Assembly and that a judge be elected for each circuit.[12] Eighty-eight of a total of ninety-two counties constitute eighty-eight circuits, while the remaining four counties are in two "joint" circuits with two counties each.

The Circuit Courts are vested with unlimited trial jurisdiction in all cases, except when exclusive or concurrent jurisdiction is conferred upon other courts. They also have appellate jurisdiction over appeals from City and Town Courts.[13]

In eighteen counties[14] the Circuit Court maintains small claims and minor offenses divisions. Civil actions in which the amount sought to be recovered is less than $3,000 and landlord and tenant actions in which the rent due at the time of the action does not exceed $3,000 may be filed on the small claims docket.[15] Class D felonies, all misdemeanors, infractions and ordinance violations are heard on the minor offenses docket.[16] Cases on the small claims docket are heard in a more informal atmosphere and without a jury.[17] In the remaining counties, the small claims docket and minor offenses docket have been established within either the Superior or County Court of the county.

The judges of the Circuit Courts (with the exception of the Vanderburgh Circuit Court where the judge is elected in a nonpartisan election)[18] are elected every six (6) years by the voters of each circuit.[19]

SUPERIOR COURTS[20]

Superior Courts are created by the General Assembly as local judicial needs change. Though their organization and jurisdiction may vary from county to county, for the most part, they are courts of general jurisdiction. They have the same appellate jurisdiction as Circuit Courts over appeals from City and Town Courts.[21]

As of December 31, 1990, there were one hundred forty (140) Superior Courts with one of them being a joint court serving two counties. In some of the counties, statutory language sets up one unified Superior Court with two or more judges, while others, through internal rules, operate their courts as unified county systems.

In counties which have Superior Courts but no County Courts, the small claims and minor offenses divisions are established in the Superior Courts. These divisions have the same small claims and minor offenses dockets as the Circuit Courts.

With the exception of four counties, the Superior Court Judges are elected at a general election for six-year terms.

In Lake[22] and St. Joseph counties, the Superior Court Judges are nominated by a local nominating Commission and then appointed by the Governor for a six-year term. Thereafter, they run on a "Yes -- No" retention ballot. The judges of the Vanderburgh Superior Court are elected in non-partisan elections. In Allen County the Superior Court judges are elected at the general election on a separate ballot without party designation. Vacancies, however, are filled by the Governor from a list of three candidates nominated by the Allen County Judicial Nominating Commission.

PROBATE COURT
(St. Joseph County)

The St. Joseph Probate Court is the only specialized Probate Court left in Indiana. The Court has one judge and has original jurisdiction in all matters pertaining to the probate of wills, appointment of guardians, assignees, executors, administrators and trustees, settlements of incompetents' estates and adoptions.[23] The court also has exclusive juvenile jurisdiction.[24]

The judge is selected by the voters of the county at a general election for a six-year term.

MUNICIPAL COURT
(Marion County)

The Marion County Municipal Court serves the City-County consolidation of Indianapolis-Marion. The court has sixteen judges,[25] fifteen of whom are trial judges, and one a presiding judge. It has concurrent jurisdiction in all Class D felonies, misdemeanors, infractions, and local ordinance violations. The court has jurisdiction to issue warrants upon probable cause for misdemeanors and felonies committed in the county and to conduct probable cause hearings, to determine sufficiency of recognizance and surety in felony cases and, upon probable cause determination, to bind such cases over to a court with felony jurisdiction. The Court's civil jurisdiction is concurrent with the Superior and Circuit Courts in all civil cases founded on contract or tort which do not exceed $20,000 and, irrespective of the value of property, in possessory actions between landlord and tenant.[26] The court also has jurisdiction (in the mental health division only) to declare and administer temporary guardianships in conjunction with mental health proceedings involving voluntary and involuntary mental commitments. Appeals from the Municipal Court are taken to the Court of Appeals.[27] The Court also has appellate jurisdiction in cases appealed from the Marion County Small Claims Courts.[28]

The Judges of the Marion County Municipal Court, including the Presiding Judge, are nominated by a local nominating commission and then appointed by the Governor for a four-year term.[29]

COUNTY COURTS[30]

The County Courts began operating on January 1, 1976, when the majority of the Justice of the Peace Courts went out of existence. Since their establishment, there has been a steady move toward restructuring such courts into superior courts with small claims/misdemeanor divisions. As of December, 1989, there were thirty-three (33) County Court Judges in thirty-four (34) counties, with two counties sharing a judge.[31]

The County Court has original and concurrent jurisdiction in all civil cases founded in contract or tort where the damages do not exceed $10,000, possessory actions between landlord and tenant, all actions for the possession of property where the value of the property sought to be recovered does not exceed $10,000, Class D felonies, misdemeanor and infraction cases, and violations of local ordinances.[32] The County Court also has a small claims docket similar to that of the Circuit Court. Civil cases of up to $3,000 and possessory actions between landlord and tenant, in which the rent due at the time of the action does not exceed $3,000.[33]

The County Courts have been specifically precluded from exercising any jurisdiction over cases involving injunctive relief, partition of or liens on real estate, paternity, juvenile matters, probate, receivership or dissolution of marriage. The Court may conduct preliminary hearings in felony cases.[34]

Appeals from the County Court, including its small claims docket, go to the Court of Appeals in the same manner as appeals from the Circuit and Superior Court.

The County Court judges are elected by the voters of the county or counties which the court serves for a six year term.[35]

CITY AND TOWN COURTS

City and Town courts may be created by local ordinance.[36]

A city or town which establishes or abolishes its court must give notice to the Office of State Court Administration.[37] There are forty-eight (48) city courts and twenty-five (25) town courts.

Jurisdiction of city courts varies depending upon the size of the city. All city courts have jurisdiction of city ordinance violations, all misdemeanors and infractions.[38] The city courts have civil jurisdiction of cases where the amount of controversy does not exceed $500. They have no jurisdiction in actions for libel, slander, real estate foreclosure, where title to real estate is at issue, matters relating to decedents' estates, actions in equity and actions involving the appointment of guardians.[39] The civil jurisdiction of city courts in Lake County extends to cases where the amount in controversy does not exceed $3,000.[40] The city courts in Lake County also have extended criminal jurisdiction so that they may hear cases involving violations of all state statutes but can only impose a fine of up to $1,000 and a sentence of not more than one year.[41] A city court in a third class city which is not a county seat[42] has civil jurisdiction of cases involving up to $1,000.

City and Town courts are not courts of record, and appeals are tried de novo in the circuit or superior court of the county.[43] Effective 7/1/90, the Carmel City Court became the only city court which is a court of record with appeals going directly to the Court of Appeals. The judge of the Carmel City Court must be an attorney in good standing.[44]

Town Courts have exclusive jurisdiction of all violations of town ordinances and jurisdiction of all misdemeanors and infractions.[45] Appeals from judgments of a town court are also taken to the circuit or superior court of the county.[46]

City and town court judges are elected for four-year terms by the voters of the city or town. There is no requirement that they be attorneys, (except for Carmel City Court, effective 7/1/90) and the majority are lay persons.

SMALL CLAIMS COURTS
(Marion County)

The Marion County Small Claims Court has eight divisions based on township lines. The court's trial jurisdiction is concurrent with the Circuit, Superior and Municipal Courts in all civil cases founded on contract or tort in which the claim does not exceed $6,000,[47] in actions for possession of property where the value of the property sought to be recovered does not exceed $6,000,[48] in possessory actions between landlord and tenant in which the past due rent at the time of filing does not exceed $3,000.[49] The Small Claims Court has no jurisdiction in actions seeking injunctive relief or involving partition of real estate, or to declare or enforce any lien thereon (with certain exceptions), or in cases in which the appointment of a receiver is asked, or in suits for dissolution or annulment of marriage. The Small Claims Court is not a court of record,[50] and the appeals are tried de novo in the Marion Municipal Court in accordance with rules established by the Municipal Court.[51]

The small claims court judges are elected by the voters within the township in which the division of the court is located. The judge serves a four-year term.

QUARTERLY CASE STATUS REPORTS

On a quarterly basis, the trial courts of the state provide the Division of State Court Administration with caseload information by filing a standard form (Quarterly Case Status Report). These reports contain information on the cases filed (including those that are received on a change of venue), disposed and pending at the beginning and end of the reporting period. This information is categorized by type of case based on classification which corresponds to a state-wide case numbering system. The reports also show the method of disposition for each type of cases. Other matters, such as number of days with Judge Pro Tempore, number of trials disposed by Special Judges, number of cases heard or disposed by Masters, the use of Court Commissioner or Referee, and the number of days the Judge served in another county are also reported, but are not reflected in this report.

The Indiana Judicial Report is an annual compilation of the information submitted by the trial courts. Volume I contains a general overview of judicial activities and totals for the entire state. Volumes II and III present caseload information on a county-by-county basis with separate sub-totals for the courts of record and the other minor courts within the county. The case type designations have been abbreviated and correspond to case type designations used in a state-wide uniform case numbering system.

As used in this Report, the following definitions apply:

CP - Civil Plenary: This category is intended to cover the basic civil case not otherwise specifically listed on the form. It will generally include actions founded in tort and contract, actions dealing with real and personal property, as well as actions seeking equitable or injunctive relief.

CT - Civil Tort: This category reflects civil cases founded in torts and filed on the regular civil docket of the court. Small claims, which could also be founded in tort, are not included in this category but are counted only in the "Small Claims" category.

SC - Small Claims: This category reflects the civil small claims filed on the small claims docket of the circuit, superior or county courts and civil cases in the Marion County Small Claims Courts.

Re-docketed Civil: This category is intended to cover the proceedings which arise following the disposition of a civil matter. This category includes cases which are reversed on appeal, cases which are retried by reason of a ruling of the trial court and proceedings supplemental.

DM - Domestic Relations: This category reflects actions involving dissolutions of marriage, petitions for support, annulments and legal separations.

Re-docketed Domestic Relations: This category reflects matters which are reopened after an initial resolution. Most frequently, this category would consist of petitions for modification of custody or support. Actions for reciprocal enforcement of child support are included in this category.

MH - Mental Health: This category is intended to reflect proceedings involving mental health commitments. A proceeding seeking temporary commitment, an extension of temporary commitment, regular commitment or termination of a commitment would be reported in this category.

AD - Adoption: This category reflects the filing of petitions to adopt.

ES – Estates: This category reflects those cases which involve the probate of estates. Claims against the estate which are transferred for trial are listed as "Civil" matters.

GU – Guardianship: This category is intended to reflect the number of guardianships that are before the court during the reporting period. When application for appointment of a guardian is filed, the report reflects a "new filing" under this category. When the guardianship is discharged, the guardianship is considered closed and is counted out of the system.

TR – Trusts: As with guardianships, this category reflects trusts which are before the court during the reporting period.

MI – Miscellaneous: This category reflects routine civil matters which do not relate to any other pending litigation. This would include petitions for name change, appointment of appraisers, marriage waivers, tax warrants and petitions for temporary protective orders.

CF – Criminal Felony: This category covers all cases filed as felonies. If a defendant is charged with both, a felony and misdemeanor, the case is counted one time under the most serious charge.

CM – Criminal Misdemeanor: This category covers those criminal cases which are filed as misdemeanors.

Re–docketed Criminal: This category reflects those criminal matters (Felony and Misdemeanors) which have been reopened after being initially decided. This would include petitions for post–conviction relief, sentence modifications as well as retrials.

IF – Infractions: This category reflects all infraction cases. As with felonies and misdemeanors, when a defendant is charged with multiple offenses of varying severity, the case is reported one time in the category of the most serious offense.

OV – Ordinance Violations: This category reflects those cases where a defendant is charged with violating a local ordinance.

MC – Miscellaneous Criminal: These are criminal matters which cannot be classified as a felony or misdemeanor but which require some degree of judicial scrutiny.

JC – Juvenile CHINS: This category reflects those juvenile cases before the court where a child is alleged to be a child in need of services.

JD – Juvenile Delinquency: This category reflects cases before the court in which a child is alleged to be a delinquent.

JP – Juvenile Paternity: This category reflects paternity actions filed by any of the parties specified by statute, including the prosecutor.

JM – Juvenile Miscellaneous: This category is intended to include those juvenile matters which are not specifically listed in the previous three categories. An example in this category would be approval by the court of informal adjustments.

Re–docketed Juvenile: This category includes all juvenile matters (CHINS, Delinquency and Paternity) which have been decided and reopened. Examples falling in this category are review hearings in juvenile matters and revocation of probation.

PENDING – NAC: The "NAC" column in the Pending charts indicates the number of cases which are pending but which the court can take no action. Many of these are criminal matters or infractions in which the defendant has failed to appear.

FISCAL INFORMATION

Pursuant to Indiana Code 33–2.1–7–3, the Division of State Court Administration is directed to collect and compile statistical data as to the receipt and expenditure of public moneys by and for the operation of the courts.

This portion of the report is intended to present a general financial overview of the expenditures of Indiana's courts and revenues generated through their operation. The financial information is gathered on an annual basis at the end of each calendar year. This is a manual data gathering system whereby each court prepares a form and forwards it, by mail, to the Division of State Court Administration. The reporting forms call for the court.s requested and approved budget, the actual expenditures and the amounts collected by the clerk through the various fees and costs. This publication, however, reflects only the expenditure and revenue data; the requested and approved budgets are available, but are not published here.

EXPENDITURES

The Supreme Court, Court of Appeals and Tax Court are funded through appropriations from the State general fund. The Indiana State Auditor's Report contains information as to the expenditures by these courts and other state level expenditures on related functions.

Indiana's trial courts are funded through county funds. State funds pay for portion of the judges' salaries[1] and for special judge expenses.[2] In addition, state matching funds are available to the counties as reimbursement for pauper defense expenses incurred in death penalty cases and expenses associated with Guardian Ad Litem services for abused and neglected children. Quite often courts receive grants and generate user fees which fees are expended on court services. All such expenditures, regardless of their source, are reflected in this report. In some of the more populous counties, separate budgets are maintained for probation services, juvenile services and pauper defense services. These expenses have been included in the final totals.Expenditures on juvenile detention centers which are budgeted through the courts are also included. Expenditures which have not been included are those not directly related to the court.s operation, such as the prosecuting attorney's office and the clerk's office.

The city and town courts are funded by the respective municipalities. In many instances a distinct city or town court budget is not maintained, and all expenses are paid directly from the local general fund. This practice makes it extremely difficult to provide accurate expenditure information on the city and town courts.

The Marion County Small Claims Courts are funded by the respective townships through budget appropriations.

REVENUES

Revenues generated through the operation of the trial courts are collected, accounted for and disbursed by the Clerk of the Circuit Court, an independently elected constitutional office. The Clerk of the Circuit Court also functions as the clerk of the county and, as such, performs many other functions not related to court operations.

Revenues are generated primarily from filing fees, costs, fines, and user fees assessed to the litigants. They are disbursed to either the state, county or local general fund or to a long list of special funds established by the Legislature for specific programs and services. In order to provide the information needed to fulfill this requirement, trial courts must invariably rely on the figures provided to them by the Clerk's office which actually collects the moneys. As a result, the revenue reporting forms have been designed to correlate the fee collection reports used by the clerks. This is important as it underscores the nature of the data presented in this report and the fact that it is not intended as an actual accounting of receipts.

Revenues generated through the city, town and Marion Small Claims Courts are collected by the local clerk and disbursed pursuant to statutory provisions. The only direct payment fee in existence is the personal service of process fee charged to small claims litigants in the Marion County Small Claims Courts. This fee goes to the constable and his deputies.[3]

Following is an explanation of the costs and fees reflected in this report.

COURT COSTS AND OTHER FEES

In the Circuit, Superior, Probate, Municipal, County, City and Town Courts.

Upon the filing of a civil case, a guilty finding in a criminal case, or a judgment for an infraction or ordinance violation, the litigant is charged a specified court cost. In addition, the General Assembly has designated numerous other fees which could be charged under certain circumstances. Many of the added fees are so called ..user fees.. which pay for defendants' enrollment in court or prosecutor sponsored programs. Following is a description of the costs and fees:

1. Court Costs: In every case resulting in a felony or misdemeanor conviction a fee of $110.00 is charged.[4] In each action which results in a judgment for a violation constituting an infraction or ordinance, the fee is $50.00.[5] In each juvenile action, the fee is $40.00.[6] In each civil action, the fee is $55.00.[7] The fee in small claims cases is $30.00.[8] (This does not include small claims cases filed in the Marion County Small Claims Courts. The fees in those courts are set out in IC 33-11.6-4-5.) The fee in probate and trust matters is $55.00. (Effective 7/1/90)[9] These court costs include service of process by mail, unless service by sheriff is required.[10] Again, this is not the case in Marion County Small Claims Courts where an additional fee is charged for service of each matter.

2. Court Costs - State Portion: Of the total amount collected through court costs the clerk of the circuit court distributes semi-annually to the state auditor for deposit in the state general fund, fifty percent (50%) of the amount collected.[11]

3. Court Costs - County Portion: The county's share is forty-seven percent (47%) of the total collected from court costs; it is forwarded to the county auditor.[12]

If a county police pension fund has been established in the county, the sheriff may present a claim for each service of process and the county fiscal body will appropriate $12.00 for each claim.[13]

4. Court Costs - City and Town Portion: Three percent (3%) of the collected fees is the qualified municipality share distributed to each city and town maintaining a law enforcement agency that prosecutes at least fifty percent (50%) of its ordinance violations in a circuit, superior, county or municipal court of the county.[14] The county auditor determines the amount to be distributed to each city and town based upon a specific formula; the funds are distributed semi-annually.[15]

5. Court Costs in City and Town Courts: The

fees collected through the city and town courts are distributed as follows:

a. Fifty-five percent (55%) semi-annually to the state auditor for the state general fund;

b. Each month the city or town fiscal officer distributed fifteen percent (15%) of the fees to the county auditor as the county share and thirty percent (30%) is retained as the city or town share.[16]

6. Special State Fund: In order to assure funding of the special programs and activities previously supported through fees collected from litigants, the law provides that twice a year the state auditor must transfer to the state treasurer $4,865,500 for deposit into eight specific funds pursuant to percentages set out in the statute.[17] Those funds are:

a. Family Violence and Victim Assistance Fund - 15.26%
b. Judges Retirement Fund - 7.3%
c. Law Enforcement Academy Building Fund - 4.83%
d. Law Enforcement Training Fund - 19.54%
e. Violent Crime Victims Compensation Fund - 12.48%
f. Motor Vehicles Highway Account - 37.12%
g. Fish and Wildlife Fund - 0.42%
h. Division of Addiction Services Account for administration, certification and support of alcohol and drug services programs- 3.05%

7. Fines and Forfeitures: Fines and forfeitures assessed in criminal cases go to the State Common School Fund pursuant to a constitutional provision.[18]

8. Infraction Judgments: This category reflects moneys collected as infraction judgments in cases involving infraction violations. (See also "Deferral Program Fee".) Infraction judgments go to the state general fund.

9. City and Town Infraction Judgments: This category reflects amounts collected as judgments for local ordinance violations. They go to the respective municipality. (See also "Deferral Program Fee".)

10. Vehicle License Fee: This category represents amounts collected as infraction judgments in overweight vehicle cases. These funds go to the State Highway Fund rather than the general fund.[19] (See also "Deferral Program Fee".)

11. Support Fees: This category reflects a fee collected in actions in which a final court order requires a person to pay support or maintenance payments through the clerk. The fee may be $10, $20 or $30 depending on when it is paid.[20] The fee goes to the county general fund.

12. Bond Administration Fee: When a defendant executes a bail bond with the clerk, ten percent (10%) or $50.00, whichever is less, may be retained as the administrative fee which is reflected here.[21] These fees also go to the county general fund.

Effective 7/1/89, when public funds have been expended on defense, the court must order the clerk to remit the difference, if any, and retain the rest, between the bond deposit and the cost of pauper defense. The retained amount is deposited in a Supplemental Public Defender Services Fund established by IC 33-9-11.5.[22] Prior to 7/1/89, this applied to only Allen County. Any amounts collected under these provisions are reflected in the "other" category.

13. Death Benefit Fund Fee: The clerk must also collect or retain $5.00 for each bond. This fee

is remitted semi-annually to the Public Employees Retirement Fund for deposit in a special Death Benefit Fund.[23] The fund provides a $50,000 lump sum death benefit to the spouse or children of a public safety officer who dies in the line of duty. With the approval of the clerk, this fee may be collected by the county sheriff who remits it to the clerk. These fees are reflected in the "other" category. (This section expires 12/31/93.)

14. Late Surrender Fees: When a bonded defendant fails to appear, a late surrender fee based on a percent of the value of the bond is assessed against the bondsman. Fifty percent (50%) of this fee is deposited in the Police Pension Trust Fund set up under IC 36-8-10-12 and 50% (fifty percent) is deposited in a county extradition fund established under IC 35-33-14.[24]

15. User Fees: The state, county, and local user fees categories reflect the total amount of user fees collected through the operation of the courts. There are a number of such fees collected in specific types of cases; they are designated for particular programs and purposes. The user fees are assessed against losing defendants in criminal cases or cases involving infraction and ordinance violations.

a. User Fees reflected under State Level Funds come from:

1. 50% of the Drug abuse, prosecution, interdiction and correction fees collected by all courts; (part of the State User Fee Fund)
2. 50% of the Alcohol and drug countermeasures fees collected by all courts; (part of the State User Fee Fund)
3. All Child abuse prevention fees;
4. All Domestic violence prevention and treatment fees.

b. User Fees reflected under County Level Funds come from:

1. Prosecutorial pretrial diversion program fees collected in misdemeanor cases in the circuit, superior, county or municipal courts; (County User Fee Fund)
2. All Informal adjustment program fees; (County User Fee Fund)
3. All Marijuana eradication program fees; (County User Fee Fund)
4. Alcohol and drug services program fees collected in cases in Circuit, Superior, County, or Municipal court;(County User Fee Fund)
5. Law enforcement continuing education program fees collected in the circuit, superior, county, or municipal court; (County User Fee Fund)
6. Prosecutorial deferral program fees collected in infraction cases in the circuit, superior, county, or municipal court; (County User Fee Fund)
7. All Alcohol abuse deterrent program or medical fees; (County User Fee Fund)
8. 50% of the Drug abuse, prosecution, interdiction and correction fees; (County User Fee Fund)
9. 50% of the Alcohol and drug countermeasures fees.

c. User Fees reflected under Local Funds come from:

1. Prosecutorial pretrial diversion program fees charged in misdemeanor cases in the city or town courts; (City/Town User Fee Fund)
2. Alcohol and drug services fees charged in cases in the city and town courts;

(City/Town User Fee Fund)
3. Law enforcement continuing education program fee charged in cases in the city and town courts; (City/Town User Fee Fund)
4. Prosecutorial deferral program fee (for infractions). (City/Town User Fee Fund)

The user fees, once collected, are distributed in two different ways. The majority are deposited in "user fee funds" at either the county or city/town level, depending at which level they were collected. The particular program must then submit a claim, under oath, to the county or city/town fiscal body for the user fees generated for such program and the fiscal body appropriates the claimed funds to the program from the "county user fee fund" or the "city/town user fee fund." User fees distributed to the county and city/town user fee funds are described below in sections (i) through (vii).

Since the reorganization of the user fee collection structure in 1987, the Legislature has added four additional user fees which are distributed differently. They are described in section (viii) through (ix) below.

Following are descriptions of the county and city user fees being deposited in the respective user fee funds.

i. A Marijuana Eradication Program Fee of no more than $300. It may be set by the court pursuant to IC 15-3-4.6-4.1 to be charged in criminal convictions under IC 35-48-4 (offenses relating to controlled substances) in a county where a weed control board has been established.[25]

ii. An Alcohol and Drug Services Fee may be collected in criminal, infraction and ordinance violations as set by the court pursuant to IC 16-13-6.1-31(c).[26]

iii. A Law Enforcement Continuing Education Program fee of $3.00 is collected in each criminal, infraction or ordinance violation.[27]

iv. A Prosecutorial Pretrial Diversion Program Fee The prosecuting attorney may withhold prosecution against a person charged with a misdemeanor if the person agrees to conditions of a pre-trial diversion program offered by the prosecutor as set out in IC 33-14-1-7. The accused is charged $50.00 as an initial fee and $10.00 for each month that the accused remains on pre-trial diversion. This fee is charged in lieu of court costs and fines (because the defendant's case is eventually dismissed).[28] The prosecutor can certify to the county fiscal body that the funds in the program exceeds its needs and the county council may, by ordinance, appropriate the excess funds to the prosecutor's office for any purpose specified in the appropriation. [29]

v. An Informal Adjustment Program Fee of $5.00 to $15.00 may be ordered by the court to be paid in cases where a juvenile has been placed in an informal adjustment program prior to having a petition filed.[30]

vi. Prosecutorial Deferral Program Fee -- This additional user fee may be collected in infractions and ordinance violations instead of court costs and any infraction judgments when the county prosecutor or attorney for the municipal corporation sets up a deferral program for such cases.

Under such a program, the prosecutor or the attorney for the municipal corporation may offer a defendant in an infraction or ordinance violation action to enter into an agreement with the law enforcement official whereby the defendant agrees to pay an initial users fee of $50 and a monthly users fee of $10 and to comply with the conditions of the program. There are no statutory guidelines for the conditions or duration of such deferral programs, and, since infractions and ordinances are civil in nature and carry no time for incarceration, it is not clear how long a monthly users fee may be charged.

The clerk of a traffic violations bureau can accept a program agreement from a defendant. The court must dismiss the infraction or ordinance citation when the prosecutor or municipal attorney requests the dismissal of the deferred case.[31]

vii. Alcohol Abuse Deterrent Program Fee or Medical Fee –– The circuit court may establish an alcohol abuse deterrent program after the county fiscal body adopts a resolution approving the program. This applies to a circuit court that is not authorized to establish an alcohol and drug services program under IC 16–13–6.1–30 (that legislation expires December 31, 1996).[32]

The program applies to criminal proceedings in which the use or abuse of alcohol is a contributing factor or a material element of the offense. In such cases, the court may, with the consent of the defendant and the prosecutor, conditionally defer the proceeding for up to 4 years (with exception for certain repeat offenses) and may order the defendant to complete the program. The court must order the deferred defendant to pay a deterrent program fee of no more than $350 or a medical fee of no more than $100, or both, unless the defendant is indigent.[33]

The clerk collects the fee as set by the court. The Deterrent Program Fund is established by the county auditor; it is administered by the circuit court which submits claims for disbursement of the funds.[34]

d. Additional User Fees –– In addition to the foregoing user fees designated for the general user fee funds of the county and city or town, the Legislature has imposed the following user fees:

viii. Drug Abuse, Prosecution, Interdiction and Correction Fee: (50% to state and 50% to county) The court must assess this fee of at least $100 and not more than $1,000 against a person convicted in any court (including city and town courts) of an offense under IC 35–48–4 (controlled substance). In determining the amount of the fee, the court must consider the person.s ability to pay. IC 33–19–6–9.[35] The clerk collects this fee and distributes, semiannually, 50% to the state auditor for the State User Fee Fund established under IC 33–19–9–2 and 50% to the county auditor for the County Drug Free Community Fund established under IC 5–2–11.[36] IC 33–19–

7-1, as amended by P.L. 30, 1991 SEC. 13, and IC 33-19-7-4.

ix. Alcohol and Drug Countermeasures Fee: In each action in which a person is found to have committed an offense or violation a statute defined as an infraction under IC 9-30-5 (DUI), or a person who has been adjudicated a delinquent for an act that would be an offense under IC 9-30-5 if committed by an adult, and the person's driving privileges are suspended, the clerk shall collect an Alcohol and Drug Countermeasures fee of $200. (The fee was raised from $20 to $200 effective 7/1/90.)[37] The clerk distributes 50% of these fees to the state auditor for deposit in the State User Fee Fund established under IC 33-19-9-2 and 50% to the county auditor for deposit in the County Drug Free Community Fund established under IC 5-2-11. [38]

x. Child Abuse Prevention Fee: This $50 fee is assessed against a defendant who is found guilty of certain criminal offenses against the person or offenses involving child molestation and neglect when the victim is less than 18 years of age. [39] This fee is distributed to the state auditor for deposit in the Family Violence Victim Assistance Fund established under IC 4-23-18-2. [40]

xi. Domestic Violence Prevention and Treatment Fee. This $50 fee is charged in each criminal action in which the defendant is found guilty of murder, causing suicide, voluntary manslaughter, reckless homicide, battery and rape against his or her spouse. [41] This fee is also forwarded to the state auditor who deposits it into the Family Violence Victim Assistance Fund established under IC 4-23-18-2. [42]

The State User Fee Fund is distributed by the treasurer of the state as follows:

$175,000 to the Alcohol and Drug Countermeasures Fund established under IC 9-27-2-11 and administered by the Office of Traffic Safety within the Indiana Department of Transportation; at least 60% of this fund must be used to supplement law enforcement agencies in their efforts to apprehend intoxicated drivers.

$100,000 to the Drug Interdiction Fund established under IC 10-1-8 and administered and used by the State Police.

$50,000 to the Drug Prosecution Fund established under IC 33-14-8-5. The fund is administered by the Prosecuting Attorneys Counsel which may use the money to assist prosecuting attorneys obtain training, equipment, technical assistance to investigate and prosecute.

$62,500 into the Corrections Drug Abuse Fund established under IC 11-8-2-11 administered by the Indiana Department of Corrections to provide drug abuse therapy.

Any remaining amounts are deposited in the State Free Communities Fund established by IC 5–2–10 and administered by the Treasurer of the state.[43] Application for grants from this fund may be made to the Indiana Criminal Justice Institute for approval by a commission designated by the Governor.

16. Guardian Ad Litem or Special Advocate Fees: The trial court may order the parent or estate of a child for whom a guardian ad litem or a special advocate is appointed to pay up to $100 for the service. The money is to be deposited in a designated fund and used for providing these services.[44]

17. Adult Probation User's Fee: This category reflects user fees charged to adults placed on probation after a conviction of a felony or misdemeanor. In felony cases the fee is mandatory; it ranges between $25 and $100 as an initial fee and between $5 and $15 as a monthly user's fee for each month the person remains on probation.[45] In misdemeanor cases, the probation user's fee is optional with the court. If imposed, the initial fee cannot exceed $50 and the monthly fee cannot exceed $10. The fees are deposited in a county adult probation services fund which is used for probation services.

18. Juvenile Probation User's Fee: A court may order a juvenile and/or the parent of a juvenile who is placed on supervision to pay an initial user's fee of $25 to $100 and a monthly user's fee of $5 to $15. These fees are deposited with a Probation Services Supplemental Juvenile Fund and are used for the specifically designated purpose.[46]

19. Document Fee: This category reflects fees collected by the clerk for copying and preparing documents.[47]

20. Interest on Investment: This category reflects income generated through deposits of various funds.

21. Court Costs and Other Fees in the Marion County Small Claims Courts:

The revenues generated by the Marion County Small Claims Courts are also reflected in this report. The Legislature has provided fee structure for these eight courts which differs substantially from the rest of the courts in the state.

The cost of filing a small claim in the small claims docket of the Circuit, Superior or County Court is $30.00. [48] This fee covers service of process by registered mail and all proceedings supplemental. Personal service and service by publication is available if necessary for additional costs.

The filing fee in the Marion Small Claims Court is $23, but there are additional costs for service of process and redocketed cases. [49] An additional fee of $5.00 is charged for each proceeding supplemental. The filing fee and the proceeding supplemental fee go to and are used by the township.

In addition to the filing fee, a $6.00 service of process fee for registered mail and $8.00 personal service fee are collected. The personal service fee for a writ or restitution and writ of replevin is $12.00. All service of process fees go directly to the constables. They are reflected in this report as funds going "To Others".

This includes data on the number and type of cases filed and disposed and pending in each court. It also reflects the amount of funds expended for the operation of each court and the amounts generated by virtue of the operation of the court. A roster of the number and type of court employees in every court is also reported here.

For state-wide totals, a discussion of the reported item and a description of the judicial system, the reader should refer to Volume I. Volume III contains data which further defines the way cases are disposed.
